

MEDIA ADVISORY – OIL SPILL CRISIS

The 26th Annual Suncoast Super Boat Offshore Grand Prix will continue as planned in Sarasota, Florida, 4th of July weekend. This past week, SBI completed their second National Points event in Biloxi, Mississippi and our appreciation extends to all those involved and the fans of Super Boat Racing.

This oil spill is of epic proportion and we can only hope for the best possible outcome for all wildlife and coastal communities. We are in touch with all State and National agencies monitoring the movement of the oil slick. It is our intention to host another great event in Sarasota and we look forward to record crowds.

John Carbonell - President Super Boat International
